## FEATURES

The Lyra Plus series remains synonymous to harmonic shapes and classic lines. The floorstanding WC combi with a ceramic cistern is the best way to play out the design of the popular series. Its advantage is the universal way of connecting the waste and the easy accessibility of the flushing mechanism. The WC combi with horizontal outlet, fitted with bottom water inlet and washdown flushing offers a cistern Dual Flush, flushed to 3 or 4,5 litres. We provide an extended warranty of 10 years for JIKA ceramic products. Attention: A seat with a cover must be ordered separately for each WC combi.
